PROFESSIONAL EXPERTISE

At National Training Rinks all of our training and instruction has been developed with the expertise of over 50 years of NHL and high level coaching and instructional experience.

Mike Gartner, NHL Hall of Famer and **Wes Jarvis**, retired NHL player, developed and expanded NTR's unique approach to hockey instruction from beginners to elite hockey players.

This tradition of quality instruction is available at our Barrie facility. **Dave Patriquin** is the Facility Manager and has been in the industry for over 13 years, 9 years with the National Training Rinks family.

PHILOSOPHY AND PROGRAM

National Training Rinks delivers a unique, proven learning experience in programs from Learn to Skate to Elite specialized hockey development.

We strongly believe our unique rink design enables a higher degree of learning at all levels. Learning in a small environment creates faster/better skill development.

We are also committed to more personalized instruction which is achieved through **SMALLER CLASS SIZES**. Our programs have a maximum class size of 22 students. Smaller class size allows for more individual attention and a higher rate of drills.

NTR GUIDELINES AND POLICIES

- Ice resurfacing is part of the scheduled time.
- Participants may only attend classes on the day they are registered.
- NTR reserves the right to cancel or re-schedule any class due to enrollment.
